Cuando esta Lista de Medicamentos (Formulario) se refiera a “nosotros”, “nuestra” o “nuestro”, significa Village Senior Services Corporation. Cuando se refiera al “plan” o “nuestro plan”, significa VillageCareMAX.

Este documento incluye la Lista de medicamentos (Formulario) para nuestro plan que es válida a partir del 02/24/2026. Contáctenos si desea una la Lista de medicamentos (Formulario) actualizada. Nuestra información de contacto, junto con la fecha en que actualizamos la Lista de medicamentos (Formulario) por última vez, aparece en la portada y contraportada.

Generalmente, debe acudir a farmacias de la red para utilizar su beneficio de medicamentos de receta. Los beneficios, el formulario, la red de farmacias y/o los copagos o el coaseguro pueden cambiar el 1º de enero de 2026 y de vez en cuando durante el año. Recibirá un aviso cuando sea necesario.

¿Qué es el Formulario de VillageCareMAX?

En este documento, usamos los términos Lista de medicamentos y Formulario para hacer referencia a lo mismo. Un formulario es una lista de medicamentos cubiertos que VillageCareMAX ha seleccionado tras consultar con un equipo de proveedores del cuidado de la salud que representa las terapias de receta que se cree son una parte necesaria de un programa de tratamiento de calidad. Por lo general, VillageCareMAX cubrirá los medicamentos incluidos en nuestro formulario siempre y cuando el medicamento sea médicamente necesario, la receta sea despachada en una farmacia de la red de VillageCareMAX's y se sigan otras reglas del plan. Si desea más información sobre cómo se surten sus recetas, consulte nuestra Evidencia de Cobertura.

¿Puede cambiar el formulario?

Aunque la mayoría de los cambios en la cobertura de medicamentos se realizan el 1º de enero, “nosotros” podríamos agregar medicamentos al formulario o quitarlos durante el año, moverlos a distintos niveles de costo compartido o añadir nuevas restricciones. Tenemos que seguir las reglas de Medicare cuando realizamos estos cambios. Las actualizaciones del formulario se publican mensualmente en nuestro sitio web aquí: www.villagecaremax.org.

Cambios que pueden afectarle este año: en los casos a continuación, usted será afectado por cambios a la cobertura durante el año:

- **Cambios inmediatos de ciertas versiones nuevas de medicamentos de marca y productos biológicos originales.** Es posible que eliminemos de inmediato un medicamento de nuestro formulario si lo reemplazamos con una determinada versión específica de ese medicamento que aparecerá en el mismo nivel de costo compartido o en uno más bajo y con las mismas restricciones o menos. Cuando se añade una nueva versión de un medicamento a nuestro formulario, podemos decidir mantener el medicamento de marca o el producto biológico original en nuestro formulario, pero inmediatamente moverlo a un nivel de costo compartido diferente o añadir nuevas restricciones. Podemos realizar estos cambios inmediatos solo si vamos a añadir una nueva versión genérica de un medicamento de marca o ciertas nuevas versiones biosimilares de un producto biológico original que ya estaba en el formulario (por ejemplo, un biosimilar intercambiable que puede cambiarse por un producto biológico original por una farmacia sin una nueva receta).
 - Si actualmente está tomando ese medicamento de marca o producto biológico original, es posible que no le informemos con anticipación antes de realizar un cambio inmediato, pero luego le proporcionaremos información sobre el o los cambios específicos que hemos realizado. Si realizamos dicho cambio, usted o su recetador pueden solicitarnos que hagamos una excepción y continuar cubriendo el medicamento de marca para usted. El aviso que le proporcionamos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la sección a continuación titulada "¿Cómo le solicito una excepción al formulario VillageCareMAX's?":

Puede que algunos de estos tipos de medicamentos le resulten nuevos. Para obtener más información, consulte la siguiente sección titulada “¿Qué son productos biológicos originales y cómo se relacionan con los biosimilares?”

- **Medicamentos retirados del mercado.** Si la Administración de Alimentos y Medicamentos (FDA) considera que un medicamento en nuestro formulario no es seguro o si el fabricante del medicamento retira su producto del mercado, nosotros lo quitaremos de inmediato de nuestro formulario y avisaremos a los miembros que toman ese medicamento.
- **Otros cambios.** Podremos hacer otros cambios que afectan a miembros que estén tomando medicamentos en este momento. Por ejemplo, podemos añadir un medicamento genérico el cual no es nuevo en el mercado para reemplazar uno de marca que esté actualmente en el formulario o añadir nuevas restricciones a medicamentos de marca o mover el medicamento a un nivel de copago diferente o ambas cosas. O podemos hacer cambios basados en nuevas reglas clínicas. Si quitamos medicamentos de nuestro formulario o añadimos autorización previa, limitamos la cantidad y/o tenemos restricciones de terapia escalonada para un medicamento, tenemos que notificarles a los miembros afectados del cambio por lo menos 30 días antes de que el cambio entre en vigencia o al momento en que el miembro solicite que se le vuelva a despachar el medicamento y entonces se le surtirá por 30 días, en cuyo momento el miembro recibirá un suministro del medicamento para 60 días.
 - Si realizamos estos otros cambios, usted o su recetador pueden solicitarnos que hagamos una excepción y continuar cubriendo el medicamento de marca para usted. El aviso que le proporcionamos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la sección a continuación titulada "¿Cómo le solicito una excepción al formulario VillageCareMAX's?":

Cambios que no le afectarán si actualmente usted está tomando el medicamento. Generalmente, si usted está tomando un medicamento de nuestro formulario 2026 que estuvo cubierto a principios del año, no descontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2026, excepto en los casos mencionados anteriormente. Esto significa que estos medicamentos continuarán estando disponibles al mismo costo compartido para aquellos miembros que lo tomen por el resto del año de cobertura. Este año, usted no será avisado sobre cambios que no le afectan. Sin embargo, el 1º de enero del próximo año, tales cambios podrían afectarle y es importante revisar la Lista de Medicamentos para el nuevo año de beneficios para ver todo cambio a los medicamentos.

El formulario adjunto es válido a partir del 02/24/2026. Por favor contáctenos para obtener información actualizada sobre los medicamentos que cubre VillageCareMAX. Nuestra información de contacto se encuentra en la portada y contraportada.

En caso de que a la mitad del año el plan realice un cambio al formulario que no es de mantenimiento, le notificaremos sobre el cambio por correo. El aviso contendrá información concreta sobre el cambio al formulario que no es de mantenimiento y le será enviado por lo menos 30 días antes de la fecha de entrada en vigor del cambio. Puede ver los cambios más recientes y el formulario en nuestro sitio web (www.villagecaremax.org) o llame a Servicios a Miembros para pedir más información.

¿Cómo uso el formulario?

Hay dos maneras para encontrar su medicamento dentro del formulario:

Enfermedad

El formulario comienza en la página 3. Los medicamentos en este formulario están agrupados en categorías según el tipo de enfermedades que tratan. Por ejemplo, los medicamentos utilizados para tratar enfermedades del corazón se encuentran bajo la categoría “Agentes cardiovasculares”. Si sabe para lo que se utiliza su medicamento, busque el nombre de la categoría en la lista que comienza abajo en la página 3. Luego, busque bajo el nombre de la categoría para encontrar su medicamento.

Lista alfabética

Si no está seguro bajo cuál categoría buscar, debe tratar de encontrar su medicamento en el índice que comienza en la página I-1. El índice contiene la lista alfabética de todos los medicamentos de marca y genéricos incluidos en este documento. Busque en el índice y encuentre su medicamento. Al lado de su medicamento, verá el número de la página donde está la información sobre cobertura. Pase a la página enumerada en el índice y encuentre el nombre de su medicamento en la primera columna de la lista.

¿Qué son medicamentos genéricos?

VillageCareMAX cubre tanto los medicamentos con nombre de marca como los genéricos. Un medicamento genérico es aprobado por la FDA por tener el mismo principio activo que el de marca. Por lo general, los medicamentos genéricos cuestan menos que los medicamentos de marca.

¿Hay cualquier tipo de restricciones en mi cobertura?

Algunos medicamentos cubiertos pueden tener más requerimientos o límites en su cobertura. Estos requerimientos o límites pueden ser:

- **Autorización previa:** VillageCareMAX le exige a usted o su médico obtener autorización previa para ciertos medicamentos, o sea que la aprobación de VillageCareMAX es necesaria antes de que le surtan sus recetas. Si no obtiene la aprobación, VillageCareMAX podría no cubrir el medicamento.
- **Límites en la cantidad:** Para ciertos medicamentos, VillageCareMAX limita la cantidad de medicamento que cubrirá. Por ejemplo, VillageCareMAX proporciona 60 cápsulas de Celebrex por cada receta. Esto podría ser además del suministro estándar de un mes o tres meses.
- **Terapia escalonada:** En algunos casos, VillageCareMAX le exige que primero pruebe cierto medicamento que trate su enfermedad antes de que cubramos otro medicamento para esa enfermedad. Por ejemplo, si tanto el Medicamento A como el Medicamento B tratan su enfermedad, es posible que VillageCareMAX no cubra el Medicamento B a menos que usted pruebe el Medicamento A primero. Si el Medicamento A no le funciona, entonces VillageCareMAX cubrirá el Medicamento B.

Puede averiguar si su medicamento tiene algún requerimiento o límite extra buscándolo en el formulario que comienza en la página 3. También puede obtener más información sobre las restricciones aplicadas a medicamentos específicos cubiertos visitando nuestro sitio Web en www.villagecaremax.org. Hemos publicado documentos en línea que explican nuestra autorización previa y las restricciones de la terapia escalonada. También puede pedirnos que le enviemos una copia. Nuestra información de contacto y la fecha en que actualizamos este formulario por última vez aparecen en la portada y contraportada.

Puede pedirle a VillageCareMAX que haga una excepción a estas restricciones o límites o que le mande una lista de otros medicamentos similares que podrían tratar su padecimiento de salud. Consulte la sección “¿Cómo le solicito una excepción al formulario de VillageCareMAX’s?” en la página v abajo para obtener información sobre cómo solicitar una excepción.

¿Qué son medicamentos de venta directa (OTC)?

Los medicamentos OTC, los cuales se venden sin receta, son aquéllos que un Plan de Medicamentos de Receta de Medicare normalmente no cubre. VillageCareMAX paga por ciertos medicamentos OTC.

Bajo el beneficio OTC, el plan cubre algunos medicamentos OTC para tratar varios padecimientos, entre ellos:

- Aspirina para adultos y alivio del dolor
- Líquidos o tabletas para la tos, el resfriado y la gripe en adultos
- Medicamentos para las alergias y los senos nasales
- Medicamentos antidiarreicos
- Medicamentos antimicóticos
- Medicamentos contra los gases
- Medicamentos contra la comezón
- Suplementos para la diabetes
- Auxiliares digestivos
- Prebióticos y probióticos para la salud digestiva
- Salud cardíaca
- Somníferos
- Vitaminas y minerales
- Control del peso (tabletas, cápsulas, etc.)

VillageCareMAX le propocionará estos medicamentos OTC drugs sin costo alguno para usted. El costo de estos medicamentos OTC para VillageCareMAX no contará para sus costos totals de medicamentos de la Parte D (es decir, el costo de los medicamentos OTC no cuenta para la brecha de cobertura).

¿Qué pasa si mi medicamento no está en el formulario?

Si este formulario (lista de medicamentos cubiertos) no incluye su medicamento, debe llamar a Servicios a Miembros primero y preguntar si su medicamento está cubierto.

Si averigua que VillageCareMAX no cubre su medicamento, tiene dos opciones:

Puede pedirle a Servicios a Miembros una lista de medicamentos similares cubiertos por VillageCareMAX. Cuando reciba la lista, muéstresela a su doctor y pídale que le recete un medicamento similar cubierto por VillageCareMAX.

- Puede pedirle a VillageCareMAX que haga una excepción y cubra su medicamento. Vea abajo las instrucciones para solicitar una excepción.

¿Cómo le solicito una excepción al formulario VillageCareMAX?

Puede pedirle a VillageCareMAX que haga una excepción a las reglas de nuestra cobertura. Hay varios tipos de excepciones que puede pedirnos que hagamos.

- Puede pedirnos que cubramos un medicamento incluso si no está en nuestro formulario. Si lo aprobamos, cubriremos este medicamento a su nivel apropiado de costo compartido y usted no podría pedirnos que le proporcionemos el medicamento a un nivel inferior de costo compartido.
- Puede pedirnos que cubramos un medicamento en el formulario a un nivel de costo compartido más bajo, que el medicamento este en un nivel especial.
- Puede pedirnos que no apliquemos las restricciones o los límites de cobertura para su medicamento. Por ejemplo, para ciertos medicamentos, el plan limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede pedirnos que no apliquemos el límite y cubramos una cantidad mayor.

Generalmente, VillageCareMAX solamente aprobará su solicitud para una excepción si los medicamentos alternativos incluidos en el formulario del plan o las restricciones adicionales de utilización no serían tan eficaces para tratar su enfermedad y/o le causarían efectos médicos adversos.

Debe contactarnos para pedirnos una decisión de cobertura inicial para un formulario o excepción a la utilización de la restricción. **Cuando solicite una excepción al formulario o a la restricción de utilización debe presentar una declaración de su recetante o médico que justifica su solicitud.** Generalmente, tenemos que decidir dentro de 72 horas tras recibir la declaración justificante de su recetante. Puede solicitar una excepción agilizada (rápida) si usted o su doctor creen que peligraría mucho su salud si esperara hasta 72 horas para la decisión. Si aprobamos la agilización de su solicitud, tenemos que darle nuestra decisión a más tardar 24 horas tras recibir la declaración justificante de su doctor u otro recetante.

¿Qué hago antes de poder hablar con mi doctor acerca de cambiar mis medicamentos o solicitar una excepción?

Como miembro nuevo o uno que continúa en nuestro plan, es posible que esté tomando medicamentos que no están en nuestro formulario. Por el otro lado, podría estar tomando un medicamento que sí está en nuestro formulario, pero le es difícil obtenerlo. Por ejemplo, quizás necesita una autorización previa de nosotros antes de que le puedan surtir su receta. Debe hablar con su doctor para decidir si debe cambiar a un medicamento apropiado que cubrimos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras habla con su doctor para determinar la forma indicada de proceder para usted, podríamos cubrir su medicamento en ciertos casos durante los primeros 90 días en que es miembro de nuestro plan.

Para cada medicamento suyo que no está en nuestro formulario o si se le dificulta obtener sus medicamentos, le cubriremos un suministro temporal de 30 días. Si su receta está escrita para menos días, le permitiremos suministros a un máximo de 30 días. Después de su primer suministro de 30 días, no pagaremos por esos medicamentos, incluso si ha sido miembro del plan por menos de 90 días.

Si es residente en un centro de cuidados a largo plazo, y si necesita un medicamento que no está en nuestro

formulario o si su capacidad para obtener un medicamento es limitada pero ya has pasado los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia de 31 días de ese medicamento mientras usted intenta que le aprueben una excepción al formulario.

VillageCareMAX tiene una póliza de transición que asegura de que se siga proporcionando la continuación de la cobertura del medicamento a miembros nuevos y actuales. Hay veces cuando usted puede sentir un cambio en su nivel de atención, como ingreso a un centro de cuidados a largo plazo u hospital (o alta de estos lugares). En estos casos, le proporcionaremos un solo suministro de emergencia de un medicamento que no está en el formulario. Los medicamentos que no están en el formulario son aquéllos que no están en el formulario del plan y los medicamentos que sí están en nuestro formulario, pero requieren autorización previa o terapia escalonada bajo las reglas de manejo de la utilización del plan.
